QUESTIONNAIRE: THE SPIRITUAL MOVEMENT OF THE QUEEN OF PEACE IN THE WORLD

The spiritual movement of the Queen of Peace is a living reality within the Church sustained by a spirit of prayer rather than by human initiatives. The spiritual movement formed by the messages of the Queen of Peace is one of the largest and most authentic prayer movements in this twentieth century. It is a movement that lives in the Church and for the Church, because it includes the faithful, the clergy, religious, and Bishops, all of whom have given and continue to give in various ways public witness to the numerous spiritual benefits that Medjugorje has brought into the lives of the faithful, not the least of which is the return to a life of prayer.

We desire to have a better idea of the worldwide dimension of this movement, which includes pilgrimages to Medjugorje, creation of Peace Centres and prayer groups all over the world, as well as a pastoral, editorial, humanitarian and other activities... This is why we ask you kindly to fill this research paper and send it by e-mail or by fax to the Shrine of the Queen of Peace in Medjugorje.
